## Gamified Design

A gaming-inspired design that emphasizes both form and function.

## Bold Gamified Design

### Easy access pre-set game modes

Easily navigate and manage the OSD menus with the joystick and shortcut buttons on the back of the monitor. Customizable & pre-set game modes allow you to optimize game visuals without having to manually adjust screen settings every time you play your game.

### Distinct angular Base & bold vents

A gaming inspired design with an angled base allows for closer gameplay and a smaller footprint for more desktop space & additional gaming accessories. Plus, distinct, bold vents at the back improve heat dispersal to keep your monitor cool so you can indulge in all-day marathons.

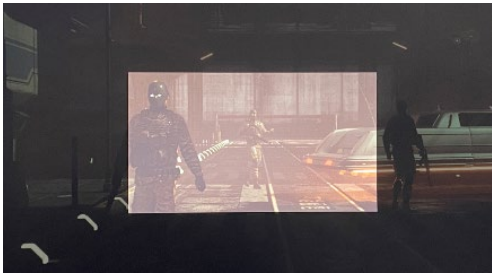

### Go bigger with multi monitor setup

Get an extra viewing plane to see more of your gaming field or even multi-task on your other monitor while you game. Display Alignment lets you comfortably expand your viewing space and see the minutest of details bigger and 3 side narrow bezels provide a seamless multi-monitor setup.

\*For copy of Ltd Hardware Warranty, write to Dell USA LP, Attn: Warranties, One Dell Way, Round Rock, TX 78682 or see [www.wip.dell.com/warranty](http://www.wip.dell.com/warranty).

\*\* Availability varies, please visit [www.wip.dell.com/support](http://www.wip.dell.com/support) for details. In some countries, hours for in-region support may vary. Support after local business hours may be provided in a language other than the local language.

### *Better for the environment*

We've reduced our manufacturing impact on the environment with this monitor, which contains at least 25% post-consumer recycled plastics<sup>(i)</sup> and is shipped styrofoam-free, all in packaging made of at least 75% recycled cardboard.

Energy conservation: Save energy when your monitor is not in use with PowerNapi, a feature that dims or puts your monitor to sleep when it's not in use.

Advancing sustainability: Dell Technologies is committed to reducing environmental impact throughout the product lifecycle. Read more about our commitment to sustainability and our 2030 Social Impact goals [here](#).

<sup>(i)</sup> Based on Dell internal analysis, Jan 2021. 25% post-consumer recycled plastics refers to the monitor's enclosure, including the stand.
